

# Statement of Cyber Security

To whom it may concern,

We Tempo(Aust)Pty Ltd on behalf of Jiangxi Ruide Electronics Co.,Ltd. hereby confirm that 50"UHD WebOS Smart TV(model number: ATV50QLEDW-0826 XXXXXXXXXXXXXXX50XXX XXXXXXXX, (Where"x"can be any alphanumeric of "A-Z" or "a-z"or "0-9" or "+","\_"or blank , indicates different client of representing different sales strategies),batch(order) number: **23899**) complies with the requirements of the minimum security standards(as below).

- o No universal default passwords-where passwords are used on hardware or software the passwords need to be either defined by the user or unique per device but cannot be:
  - based on incremental counters;or
  - based on or derived from publicly available information;
  - based on or derived from unique product identifiers,such as serial numbers,unless this is done using an encryption method,or keyed hashing algorithm,that is accepted as part of good industry practice;or
  - otherwise be guessable in a manner unacceptable as part of good industry practice.
- o Implement a means to manage reports of vulnerabilities-provide a contact to allow security researchers and others to report issues,with status updates on the resolution of these issues.
- o Provide information about how long the device will be supported for-manufacturers and suppliers must provide transparency to consumers about the minimum timeframe that the product will receive security updates.

*The defined support period for the product is 3 years at the date the*

statement of compliance is issued. Details of Authorised Representative
