

Statement of Cyber Security

To whom it may concern,

We Tempo(Aust)Pty Ltd on behalf of Jiangxi Ruide Electronics Co.,Ltd. hereby confirm that 40"FHD WebOS Smart TV(model number: AK4022S7WOS, ,batch(order)number: 25267) complies with the requirements of the minimum security standards(as *below*).

- o No universal default passwords-where passwords are used on hardware or software the passwords need to be either defined by the user or unique per device but cannot be:
 - based on incremental counters;or
 - based on or derived from publicly available information;
 - based on or derived from unique product identifiers,such as serial numbers,unless this is done using an encryption method,or keyed hashing algorithm,that is accepted as part of good industry practice;or
 - otherwise be guessable in a manner unacceptable as part of good industry practice.
- o Implement a means to manage reports of vulnerabilities-provide a contact to allow security researchers and others to report issues,with status updates on the resolution of these issues.
- o Provide information about how long the device will be supported for-manufacturers and suppliers must provide transparency to consumers about the minimum timeframe that the product will receive security updates.

The defined support period for the product is 3 years from 2026.6.6 to 2029.6.6 at the date the statement of compliance is issued. Details of Authorised Representative
